The ProBuilder 36 CF See-Thru is shown with the Black Glass Fireback, and Birch Log Set.

The ProBuilder 36 Clean Face See-Thru Deluxe is the perfect choice for anyone wanting to divide two separate rooms. The unique see-thru design of this fireplace adds visual depth and dimension to any space, while showcasing two stunning views of the fire. The ProBuilder 36 See-Thru is ideal for providing supplemental warmth to up to 1,500 square feet or smaller spaces. Our standard Comfort Control™ give you complete heating control with a 70% turn down rate. It comes standard with a full function GreenSmart™ Remote control, 180 CFM fan, and with the spectacular Ember-Glo™ ember bed lighting. Choose between two high definition log sets and two fireback options to make your fireplace your own. The ProBuilder 36 Clean Face See-Thru Deluxe works without electricity to provide back-up heat to keep your family comfortable all year long.
